

Long Island Wines have flourished and matured tremendously. They have earned their thumb tack on the global wine map. General consensus amongst the vintners is that our wines have immense, unique local character.

Rather than suppress the bold fruits, spices, and floral accents they have incorporated them into the natural balance of each vintage. We have strived to put together a wine list of what we feel are the creme. Exceptional vintages are marked with an asterisk*. Chef's Choice***

Overwhelmed??

Try our Sampler! Choose any four wines marked with a check below and we'll bring four mini carafes (about two glasses) for your enjoyment. \$14
